

Thanks to All of Our Supporters That Joined The Inugural Walk for Stability!

We couldn't have done it without our generous donors, walkers, and clients.

We are beyond grateful for all our community members who helped us raise awareness and money for families experiencing homelessness in the Denver metro area. It was a beautiful Saturday at Sloan's Lake where over 90 people registered to walk and raise awareness for this systemic problem in our society. **We were able to raise \$8,200 for our programs and services. Thank you to everyone who helped!** It was such a blast to hang out with the kiddos and get out in the community! We had local vendors like Canvas Credit Union and the Elephant Circle sharing resources while the

kids played and learned about what it means to support our unhoused community.

We are only \$1,200 away from reaching our \$10,000 goal for the Walk. Help us reach our fundraising goal by donating below.

**THANK YOU TO
OUR 2021
DONORS AND
PARTNERS
WHO HELPED
US HAVE A
SUCCESSFUL
YEAR.**

Last year was a year like no other for our organization, and we owe that success to you! Thanks to you and other generous donors, we were able to serve more families in 2021 than we have in any previous year.

Thank you for your generosity towards our programs and the families we serve. You have changed the lives of many people who are suffering from the trauma of homelessness.

WHAT'S NEW?

You may have heard whispers about our move. Guess what? It's happening! We're moving! **We'll be making the big move in July to Northern Cap Hill to be a better access point for the community.** Our space is still being renovated but you can click below for a sneak peek.

As we've grown, so have our dreams! We want to say yes more - help more families. We hope that with this move we can create a space that is more trauma-informed and durable to withstand the test of time. Dozens of families and children call our Day Shelter home.

That means:

- 26 - 50 people living in the same space during the day
- lack of privacy
- lots of dishes, toys, and children with finger paints

Our new home is a fresh start with more space. We'll need to fill the corners with love and

comforts of home for all the children and families who have been sleeping in cars, hotels, and friends' couches. We're so excited to create this new home together because we know that this is where home starts for many of our clients.

If you'd like to help us make our space a home email Courtney at cjensen@fpgd.org.

The Colorado Homeless Contribution Tax Credit Signed Into Law

On May 31, 2022 Governor Jared Polis signed (HB22-1083) The Colorado Homeless Contribution Tax Credit into law! The Governor was gracious and offered a supportive, clear articulation of what the bill was all about.

All Colorado households that give to enrolled homeless service providers will be eligible to benefit from the tax credit.

Effective January 1st, 2023, this will help Denver strengthen programs that work to help people experiencing homelessness stabilize, heal, strengthen, and ultimately thrive.
